

# TILA/RESPA Integrated Disclosures (TRID) Compliance Overview

## fane TRID Background

- Section 1032 (f) of the Dodd-Frank Act required the CFPB (Consumer Financial Protection Bureau) to develop a set of combined disclosures that replace the current GFE, HUD-1, and initial and final TIL disclosures.
- New disclosures will be effective with all new applications beginning on Saturday, 10/03/2015.

## fane TRID's Purpose

- The new disclosures are designed to be helpful to consumers in understanding key features, costs, and risks of the mortgage loan they are choosing.
- The forms use clear language and design to make key information, such as interest rate, monthly payment, and cost to close, easier for consumers to locate.

### fane Covered Transactions

- The TRID rule applies to most closed-end consumer credit transactions secured by real property.
- Certain types of loans that are currently subject to TILA, but not RESPA, are subject to TRID disclosure requirements including:
  - Construction-Only loans
  - Loans secured by vacant land or by 25+ acres
  - Timeshare loans also have abbreviated disclosure timelines

- TRID does not apply to the following:
  - HELOC's
  - Reverse Mortgages
  - Mortgages secured by Chattel, such as mobile homes or other dwellings that are not considered real property
  - Persons that make five or fewer loans per year

## fahe Exemptions Cont'd.

 Loans that are not covered by the new rule are still covered under current disclosure requirements.

### THE LOAN ESTIMATE (LE)

## fahe Loan Estimate Purpose

 Replaces the current Good Faith Estimate and initial Truth-in-Lending disclosures

## Providing the Loan Estimate

- The lender must deliver or place the Loan Estimate in the mail within 3 business days after receipt of application, unless it is denied or withdrawn within that timeframe
- The consumer is considered to have received the disclosures 3 business days after they are sent or placed in the mail. This is called the "mailbox rule"
  - Lenders may consider using UPS/FedEx delivery or E-Signature

## Providing the Loan Estimate

- A revised estimate cannot be issued less than 4 business days prior to consummation
- Mortgage Brokers who receive an application must work with the creditor to ensure that the Loan Estimate is provided in accordance with the rule.

## Loan Estimate Changes in Circumstance

 To revise the Loan Estimate, a lender must provide a revised version to the borrower within 3 business days of the information received to warrant the change.

## Loan Estimate Changes in Circumstance

The following are the allowable changed circumstances for re-disclosure:

- An extraordinary event outside of control of an interested party
- Information the Lender relied on is inaccurate or changes
- New information is discovered by the Lender after disclosures have been sent
- Changes affecting eligibility such as income decreases, employment changes, low appraised value, etc.
- Consumer requested changes

## Loan Estimate Changes in Circumstance

Allowable changed circumstances for re-disclosure (cont'd):

- Interest rate dependent changes such as rate lock
- Expiration, such as consumer doesn't provide intent to proceed within 10 business days of disclosures
- Delayed settlement on a construction loan-When settlement will occur more than 60 days after initial disclosure, and re-disclosure occurs at least 60 days before settlement

## Loan Estimate List of Service Providers

- Lenders must now disclose the following information for all transaction service providers, whether the consumer can shop for the service OR not:
  - Name of each service
  - Estimated cost
  - Provider of the service
  - Provider's contact information

#### Additional Information About This Loan

#### Loan Disclosures

#### Assumption

If you sell or transfer this property to another person, your lender will allow, under certain conditions, this person to assume this loan on the original terms.

xill not allow assumption of this loan on the original terms.

#### **Demand Feature**

Your loan

has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

🗵 does not have a demand feature.

#### **Late Payment**

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

#### **Negative Amortization** (Increase in Loan Amount) Under your loan terms, you

are scheduled to make monthly payments that do not pay all of
the interest due that month. As a result, your loan amount will
increase (negatively amortize), and your loan amount will likely
become larger than your original loan amount. Increases in you
loan amount lower the equity you have in this property.

- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

#### **Partial Payments**

Your lender

- ☑ may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

#### Security Interest

You are granting a security interest in 456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

#### **Escrow Account**

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow			
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: Homeowner's Insurance Property Taxes	
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: Homeowner's Association Dues  You may have other property costs.	
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.	
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.	

will not have an escrow account because 
 □ you declined it 
 □ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.	
Escrow Waiver Fee		

#### In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

#### **BASICS OF THE**

### INTEGRATED MORTGAGE DISCLOSURES RULE

#### WHAT

Changes to the Loan and Settlement Disclosure forms and processes are coming.

#### WHEN

The changes will be effective for transactions where a loan application is taken by a lender on or after August 1, 2015.

#### WHY

Because the Dodd-Frank Act of 2010 mandates the combination of the Truth in Lending Act (TILA) loan disclosures with the Real Estate Settlement Procedures Act (RESPA) Good Faith Estimate and HUD-1 Settlement Statement disclosures.

#### HOW

The Consumer Financial Protection Bureau (CFPB), an entity created by the Dodd-Frank Act, issued a new TILA final regulation that, among other things, created two new forms (each with many variations) and new 3 business day delivery requirements.

- Loan Estimate 3 business days after application
- Closing Disclosure 3 business days before consummation

#### WHO WILL ISSUE THE FORMS?

- · Loan Estimate Lender or Mortgage Broker
- Closing Disclosure Lender or Settlement Agent (Escrow). Lender may delegate responsibility to the Settlement Agent (Escrow).

#### **ENFORCEMENT**

The CFPB can levy substantial penalties so lenders will be very cautious:

- Up to \$5,000 per day for any violation of a law, rule, or final order or condition imposed in writing by the Bureau;
- Up to \$25,000 per day for any person that recklessly engages in a violation of a Federal consumer financial law; and
- Up to \$1,000,000 per day for any person who knowingly violates a Federal consumer financial law.

#### IMPACT ON REAL ESTATE PROFESSIONALS

- Closings may take longer because of 3 business day review periods.
- You'll be seeing different forms for most transactions.
- Your contact information and license number must appear on the Closing Disclosure form. (see page 5 of the Closing Disclosure form)
- Your clients may receive multiple Loan Estimates due to:
  - "Changed circumstances" certain defined circumstances that cause the estimated charges to increase by more than the variance allowed under the Final Rule;
  - » Multiple applications with different lenders; or
  - » Multiple applications for different loan products with the same lender.
- Your clients may receive multiple Closing Disclosures:
  - » Some with a 3 day business day waiting period and some without; and
  - » Some before closing and some after.
