

# 2020 Fahe *Virtual* Annual Meeting

Each year the Fahe Annual Meeting draws participants from our 50+ Members, local, regional, and national partners including housing finance agencies, NeighborWorks®America, Rural LISC, USDA, and OFN. Attendees gather for training, planning, and knowledge sharing that addresses the needs around poverty in Appalachia and across the nation.

These yearly meetings are essential to our strategy of tackling persistent poverty. The real time collaboration across our six-state service area allows our Members to share effective strategies and devise innovative solutions.

Support the Fahe Network by sponsoring the Fahe 2020 Virtual Annual Meeting this September. Your partnership with us will be broadcast widely through our robust social media audience that grows daily. Monthly, Fahe averages 12,000 unique blog visitors, 19,000 views on Twitter, and 24,400 views of Facebook.

Partnerships with organizations such as yours are instrumental in bringing new ideas, resources, and opportunities that focus on the resiliency needed in our communities as they bring about stabilization and positive change. We have proudly served Appalachia for 40 years and we hope you'll sponsor this year's Virtual Annual Meeting to support our continued work in Building the American Dream .
