- **Community Investment Explorer 2.0 (Federal Reserve Bank of St. Louis) [TOOL LINK](#)**

  - o *ABOUT: The newly enhanced Community Investment Explorer (CIE) 2.0 enables users to analyze the equitable distribution of capital from 2012 to 2020 in regions throughout the U.S. Data are available from 10 community and economic development programs, including the Community Development Financial Institutions (CDFI) Fund, the Community Development Block Grant (CDBG), the New Markets Tax Credit (NMTC) program and others.[1] Capital flows are shown across four dimensions:*

  - o Total funding

    - ▪ Funding in low- and moderate-income neighborhoods

    - ▪ Funding in majority nonwhite neighborhoods

    - ▪ Use of funds by program

    - ▪ https://www.stlouisfed.org/community-development/data-tools/community-investment-explorer?

- **The National Association of Counties Data Explorer**: https://ce.naco.org/

  - o Includes maps on county level finances, governance, workforce, demographics, economy, education, energy & environment, federal funding, health & human

services, housing & community development, justice & public safety, public lands, transportation and infrastructure

- Includes county profiles on economies, housing affordability, payments in lieu of taxes, secure rural schools, state child care and development block grants, statewide municipal bonds, state and local tax deduction, statewide bridge inventory, supplemental nutrition assistance program, community development block grant, HOME Investment Partnership Program, Temporary Assistance to Needy Families

- **DEI Glossary https://www.naco.org/resources/featured/key-terms-definitions-diversity-equity-inclusion**

- **National Low Income Housing Coalition:** The GAP 2020 Annual report is available [here](#) , including tabs to access state level data and their annual out of reach report is available [here](#) (Kentucky is landing page)

  - The 2021 Out of Research Report is available [here](#)

- **Federal Housing Finance Agency Tools - Including Duty to Serve Maps**

  - Dashboards and Maps - including Housing Price Index, Duty to Serve https://www.fhfa.gov/DataTools/Tools

  - Stats Blog https://www.fhfa.gov/DataTools/Pages/FHFA-Stats-Blog.aspx

  - Public Use Databases https://www.fhfa.gov/DataTools/Downloads/Pages/Public-Use-Databases.aspx

  - Definitions for Duty to Serve Data https://www.fhfa.gov/DataTools/Downloads/Pages/Duty-to-Serve-Data.aspx

- **Rural Data Portal (Housing Assistance Council)**: https://www.rd.usda.gov/rural-data-gateway

  - Data primarily comes from custom tabulations of 2010 Census of Population and Housing, American Community Survey, and Home Mortgage Disclosure Act.

  - Includes demographic, social, economic, housing, and housing finance information for rural, suburban, and urban geographies at the national, state, and county level.

- **Annie E. Casey Foundation Kids Count:** https://www.aecf.org/interactive/databook/

  - Each year, through this data collection effort Kids Count assesses child well being in the United States

  - For most states and indicators data is available at the national, state, county, school district, city, congressional district and council level

- o Display options include tables, maps, trends, and bar charts.

- o Options will depend on the geography of data collection -- not all indicators are available at every level.

- o 2021 https://www.aecf.org/resources/2021-kids-count-data-book

- **County Health Rankings (Robert Wood Johnson Foundation):** http://www.countyhealthrankings.org

  - o Data collected nationally and reported at the county level.

  - o Due to differences in methodologies across states, check definitions before making cross state comparisons on individual indicators.

  - o County Health Rankings Key Findings Report 2022

- **Health in Appalachia, Health Disparities Data and Research Reports on Bright Spots** (https://healthinappalachia.org/disparities-report/downloads/)

  - o A comprehensive review and discussion of the health disparities documented through the initiative's data analysis is available in the report *Health Disparities in Appalachia*. Created in Partnership with the Appalachian Regional Commission and Robert Wood Johnson Foundation, among others.

- **2022 Choice Neighborhoods HUD Grant Application** - https://www.huduser.gov/portal/maps/CN/home.html

- **Index of Deep Disadvantage** (University of Michigan Poverty Solutions Lab, led by friend of Fahe Lance Shaeffer) https://tableau.dsc.umich.edu/t/UM-Public/views/IndexofDeepDisadvantage/CountiesCitiesMap?:isGuestRedirectFromVizportal=y&:embed=y

- **Appalachian Overdose Mapping Tool (NORC at University of Chicago and Appalachian Regional Commission):** http://overdosemappingtool.norc.org/

-

  - o Visualizes incidence of drug-overdose and other economic and demographic characteristics for the 420 county Appalachian Region

  - o Illustrates correlations between various characteristics and opioid misuse.

- **St. Louis Fed Economic Resilience and Inclusion Navigator:** https://bsr.stlouisfed.org/ERIN?utm_source=CBNList&utm_medium=email&utm_campaign=CentralBankerNewsletter04_19

  - o Creates maps (county level) for a variety of economic, business, and socio-economic indicators

- **GeoFRED: Geographical Economic Data from the St. Louis Fed**
  https://geofred.stlouisfed.org/

  - Creates maps at a variety of geographic levels for many data points of interest

- **St. Louis Federal Reserve is now tracking prices for manufactured housing: https://fredblog.stlouisfed.org/2020/07/new-to-fred-manufactured-home-prices/**

- **Philadelphia Federal Reserve "Map Your Community"**

  - This tool creates maps for specific areas, including micropolitan areas, and allows users to plot HUD public housing, USDA Rural Development Multi-Family, LIHTC, and Historic Tax Credits

  - https://www.philadelphiafed.org/community-development/map-your-community

- **Atlanta Federal Reserve**

  - Jobs Calculator https://www.frbatlanta.org/chcs/calculator - available for state level use

  - Unemployment claims monitor: https://www.frbatlanta.org/cweo/data-tools/unemployment-claims-monitor?

- **Rural Health Research Gateway**

  - Rural Health Research Gateway

  - Provides free, easy, and accurate access to research undertaken by the Federal Office of Rural Health Policy-funded Research Centers

  - **Am I Rural Geographic Tool https://www.ruralhealthinfo.org/am-i-rural**

- **Living Wage Calculator (MIT)**

  - **"WHAT IS THE LIVING WAGE CALCULATOR?**
    Families and individuals working in low-wage jobs make insufficient income to meet minimum standards given the local cost of living. We developed a living wage calculator to estimate the cost of living in your community or region based on typical expenses. The tool helps individuals, communities, and employers determine a local wage rate that allows residents to meet minimum standards of living."

  - https://livingwage.mit.edu/

- **Center for Rural Innovation**

  - Rural Opportunity Map Gallery ->https://ruralopportunitymap.us/maps/

    - Individual topics include

- ▪ Start Up Scout

- ▪ Local Leader Action Map

- ▪ Several Maps in Beta testing

- **Master Card Inclusive Growth Score:** https://inclusivegrowthscore.com/

- **National Center for Education Statistics** Data Explorer: https://nces.ed.gov/datatools/

- **National Association of Realtors Housing Statistics**: https://www.nar.realtor/research-and-statistics/housing-statistics

  - o Includes:

    - ▪ Existing-Home Sales

    - ▪ Pending Home Sales Index

    - ▪ Housing Affordability Index

    - ▪ REALTORS® Affordability Distribution Curve and Score

    - ▪ Metropolitan Median Home Prices and Affordability

    - ▪ Home Buyers and Sellers by Metropolitan Statistical Area

    - ▪ County Median Home Prices and Monthly Mortgage Payment

    - ▪ Housing Shortage Tracker

    - ▪ State Housing Statistics
