

Kentucky Office of Vocational Rehabilitation

>
**Kentucky
Career Center**
Career Training Employer

The mission of the Office of Vocational is to provide opportunities for employment and independence to individuals with disabilities.

SERVICES

Vocational Rehabilitation: Comprehensive, individualized services for individuals with significant visual impairments who wish to become employed or maintain employment. Services include:

- * Information and Referral
- * Vision related Counseling
- * Assistive Technology
- * Orientation and Mobility
- * Rehabilitation Training
- * Career Assessment
- * Education
- * Medical Evaluation and Assistance
- * Employment Placement
- * Employer Services
- * Vocational Guidance

Independent Living: Short-term or comprehensive services for individuals wishing to maintain or improve their ability to perform activities of daily living.

REFERRALS Anyone in jeopardy of losing their independence, job or needing additional services to obtain employment.

ELIGIBILITY Individuals with a significant disability that limits their ability to function independently and/or enter the workforce. Eligibility will be determined by a Vocational Rehabilitation Counselor.

WHERE Offices are located throughout the state. For more information contact the office below, or visit our website at <http://kcc.ky.gov>.
